National Night Out – National Night Out (NNO) is August 7th, from 7 to 9 pm

We plan to Hot Dogs, individual bag chips, cookies and drinks. We have also reserved a DJ, 2 bounce houses, and a clown.

Jan has volunteered to take care of the following items:

- a. Invite the Police and Fire Department
- b. Check into availability of NNO signs which we could put up within our subdivisions
- c. Find out about fly repellent options since we will be serving food

Becky and Teral have volunteered to do face painting. They will be getting prices for supplies needed and will put together a display board of objects they are able to paint. Barbara will check into stamps which can also be used for face painting.

Rita was to check on prices for 400 hot dogs, buns, hot dog trays, mustard, ketchup, relish, chips, drinks, and cookies. Since she has had her baby, Becky went by Sam's and got prices for the above items.

Andy has lined up the use of a hot dog cooker for this event.

We discussed the possibility for Crime Watch to set up a table to hopefully sign up more block captains.

Chili Cook Off/Dessert Bake Off – (2nd Annual Fall Festival) October 20th

We have decided that the Chili Cook-Off in October will become our 2nd Annual Fall Festival. Becky will put together a new flyer for this event which will be handed out at NNO. Our goal is to include the following items: costume parade, bounce house, games, drinks, Chili Cook-Off, Dessert Bake-Off, prizes, popcorn, clown, fall decorations, etc. We could really use a sponsor for this event, so if anyone has connections to a company that would be willing, that would be great!!!

Location for next months meeting (07/24/2007) – 612 Memorial Hill Way (Jan's home)
