

Dear Homeowners Association,

A Perennial Swap is planned Saturday April 4th at select Calloway's Nursery locations.

Our Perennial Swap promotion will allow customers to exchange plants and meet local gardeners in the safety of a Calloway's location. Calloway's Nursery is excited to host the Perennial Swap on April 4th in South Arlington and Lewisville!

Here's how it works:

- 1) Visit the [Perennial Swap blog](#).
- 2) List what you have and what you want.
- 3) Arrange to meet and swap on April 4th (locations listed below).
- 4) Save money, go home, plant and enjoy!
